SOUTHERN OREGON COAST

CAMPING & RV GUIDE

SOUTHERN OREGON COAST

COME CAMP
THE COAST

The Southern Oregon Coast is one of the most gorgeous & least crowded coastlines you'll set eyes on. Even better, it's teeming with campsites, yurts & RV hook-ups, so you can sleep under the stars with the surf lulling you to sweet slumber. Pick from beachfront campsites & clifftop campgrounds high above the sea, or find spots tucked into ancient forests on the banks of coastal rivers & lakes. So pack your bikes, boats, paddles, boogie boards & hiking boots.

The best time of year to come? Anytime. Many of our beaches boast 200 days of sun a year, & we often enjoy 70-degree days in January. And be sure to visit our coastal towns along the way. You'll pass right through one charming little downtown after another, where fish-n-chips, clam chowder, taco trucks, shops, galleries & breweries beckon.

YOUR SOUTHERN OREGON COAST BUCKET LIST

Explore the Oregon Dunes National Recreation Area - Hike, fat tire bike or ride an off-road vehicle on this other-worldly landscape.

Fish Nationally Designated Wild & Scenic Rivers - Hire a guide or go solo to catch steelhead, chinook & bass in pristine wilderness.

Watch for Whales - Spy humpbacks & gray whales in early winter as they journey south to Mexico & again in spring as they travel up to Alaska.

Ride Your Bike - There's so much cycling it's got its very own section coming up!

Enjoy the Beach - While Oregon's entire coastline is open to the public, we have over 20 especially stunning beaches with tide pools, sea stacks, secret coves & easy parking.

Locate Local Food & Farms - Check out the Wild Rivers Coast Food Trail & visit where your food comes from.

Go Sea Kayaking - Explore the sea caves & say hi to the sea lions with South Coast Tours out of Port Orford.

Catch Some Crabs - Hire a guide, toss a trap & catch your own dinner. The season is year-round, but August through December is prime time.

Shop the Shops - There's a lovely town every 30 minutes or so with galleries, vintage stores & coastal curiosities, & it's all tax-free.

Go Horseback Riding - Take your whole crew riding on picture-perfect Bandon Beach, with views of Face Rock & dozens of sea stacks.

Enjoy a Scenic Hike - There are so many coast-hugging, jaw-dropping trails that, yup, there's a whole section of hikes coming up, too!

LOOKING FOR A GREAT HIKE?

Our rugged coastline offers up some incredible hiking with trails through ancient Sitka spruce that lead to peeks of the ocean and insane panoramic views.

Cape Arago Trails - Near the fishing fleet town of Charleston, this scenic trail offers a north-cove hike to moonscape cliffs & lighthouse views, while the south-cove hike touts sandy beaches, tide pools & an island of sea lions & birdlife.

Cape Blanco Lighthouse & State Park - 8 miles of trails lead to the beach & the lighthouse. There's also a 7-mile horseback riding trail.

Port Orford Head State Park - The three main trails all start at the museum & lead to viewpoints, vistas & a great view of the Cape Blanco Lighthouse & Humbug Mountain.

Samuel H. Boardman State Scenic Corridor - A stunning stretch packed with secret beaches, monolithic sea stacks & awesome hiking. See how many you can explore from Gold Beach to Brookings:

Otter Point
Arch Rock
Secret Beach
Natural Bridges
Indian Sands Trail
Cape Ferrelo

BRING YOUR BIKES!

MOUNTAIN BIKING:

Whiskey Run - 64 single-track flow trails for every level of rider, plus double black diamond jump lines, a nice picnic area & facilities.

Pine Grove Trail - A downhill shredder's dream. Plummet down forested trails to the banks of the Rogue & Illinois Rivers for a post-ride swim.

Hundred Acre Wood - Banked turns enhance this smaller but super fun wooded flow trail in Coquille.

ROAD BIKING:

While we highly recommend against cycling along Highway 101, many campgrounds feature biking trails. For a wow ride, pedal the **Wild Rivers Coast Scenic Bikeway**.

FAT TIRE BIKING:

Yes, you can bike the **Oregon Dunes**! The 8-mile **Port Orford to Cape Blanco** route, **Face Rock Beach** in Bandon & the **Banana Belt Loop** in Gold Beach are all stunners.

HOW TO USE THIS MAP

The Southern Oregon Coast offers over 100 camping & RV sites. We couldn't possibly fit them all on this printed map, so we've only included locations that are open year-round & can be reserved in advance. On the grid to the right, each town has a circle with a number on it. To find the sites in that town on the map, simply look for the circle & corresponding number.

For a complete list of sites that also includes seasonal or first-come-first-served only, please scan the QR code. Our website features descriptions as well as a handy Google Map to locate your perfect spot. Happy travels!

TAKE CARE OUT THERE

Beware of Sneaker Waves - They appear without warning & can be deadly. Never turn your back on the ocean & watch out for logs.

Know the Tides - Always be aware if the tide is coming in or out & be careful of enclosed beaches.

Leave No Trace - Pack out whatever you bring in & avoid trampling vegetation off trails. Please don't touch or disturb creatures in tide pools, on the beach or on trails.
